

The purpose of virtual business meetings is to give Units due to hold a regular meeting(s) during the suspension of Masonic activity, the opportunity to carry out essential administrative procedures. These meetings may not be held by Units where no regular meeting(s) fall within the period of suspension.

Units whose meeting(s) fall between 17 March 2020 (date the General Suspension started) and 8 June 2020 (date this scheme comes into force) may apply retrospectively to hold a virtual business meeting on a date of their choosing provided 14 days prior notice is given to members. From 8 June 2020, these administrative meetings must be held on, or within 14 days either side of, the date of the regular meeting.
